

THE COLUMBIAN MIRROR AND ALEXANDRIA GAZETTE.

Four Dollars per Ann.]

THURSDAY, MARCH 27, 1800.

[Vol. VII.—No. 1082]

100 CENTS.

Yesterday completed the first quarter of the MIRROR has been under the direction of its present Editor.

The countenance of its former friends, and an increase of subscription are highly flattering to him—but something more than good wishes is indispensably necessary. He knows from experience that there are many, who are pointed to the hour, in the payment of a sum of consequence, that neglect in trifling a demand as that of a 100 Cents (the price of a quarter's subscription) which they would not do if they would consider that however small the sum is to them individually, yet in the aggregate, with the printer, it becomes a matter of serious consequence—it being his chief reliance, for the discharge of the various and heavy expenses he necessarily incurs; for the major part of which he could not reasonably expect credit, and in the article of paper alone (one of the most considerable items in his expenses) a short credit is considered a favor.

Subscribers in town will be waited on with their respective Bills—gentlemen in the country will please to forward their quarterly by post or otherwise, for which he will return them a receipt.

Contracts for Potomack Navigation.

AT the Great Falls of Potomack, there are five Locks to be inserted. The first for one of these locks is already excavated. The pits of the other four are still to be excavated. The President and Directors are anxious to contract for the completion of the said locks, and they will contract separately for the excavation of the Lock Pits, or any of them, or any other part of the work.

This work is well worth the attention of those persons who are accustomed to undertake of this nature, as it is of considerable magnitude. There will be about 4300 cubic yards of stone to remove in the excavation, and the President and Directors are disposed to grant liberal terms to those that will prosecute it with spirit and to a speedy completion. The funds for the payment are not contingent, but already in their hands.

Any person disposed to engage in this work will make application to the subscriber as soon as possible, as the season for commencing the operations is fast approaching. He has in his possession the plan of the work to be done, and can give every information as to the mode of execution.

Printing-Office of Mr. Price.

FROM a view of the new Navigation and Revenue Laws of the United States, I have been encouraged to open the above Office, from a belief that the said laws require more attention than persons in general concerned in trade and navigation will find convenient to pay them, in order to avoid incurring the penalties inflicted for not complying with the requisitions thereof. Where every form and instrument of writing appertaining to shipping, entry, clearance, imports, exports, excise, drawbacks and debentures, required by the laws of the United States and the officers of the government may be had. I have also taken such steps as will, in a short time, insure me accurate information respecting the restrictions on our trade in foreign countries, and particularly at such foreign ports or place where an American consul or agent may reside, with the formalities necessary to be observed, and the fees, duties, &c. payable thereat.

Lands for Sale, or exchange for other Property.

SEVEN hundred and eighty-eight acres in the county of Hampshire, on the waters of Great Cape Capon, about 20 miles from the Warm Springs, and 30 from Winchester. This land is full of wood, oak and Pine Timber. Two excellent farms may be made, with 30 to 50 acres of bottom, and rich high lands to each; and in the heart of the timber there is a fine seat for a saw-mill. Capt. Daniel Rice will show the lands.

Three thousand eight hundred and forty-five acres in the county of Ohio, on the waters of Grave and Fish creeks, near the river Ohio, and about 80 miles below Pittsburgh. Some of these lands are very good, with considerable quantities of rich bottom, and plenty of excellent timber. Robert Woods, Esq. the Surveyor of that county, will show these lands.

One hundred Twenty six and three-fourths acres, within three miles of the Warm Springs, upon Great Cape-Capon, near its mouth, and within 4 of a mile of the River Potomack. This land has about 70 to 80 acres of rich bottom, mostly in cultivation, with 274 fine sugar trees on it; from which, I am informed, there may be made 30000 lb. of good sugar annually. There is also a seat for grist and saw-mills on it, equal to any in that neighbourhood, and upon a never failing stream of water. The upland is rich, with plenty of timber, and part under cultivation. This farm is well improved with a good orchard, houses and fencing, and rented last year for produce equal to sixty pounds per annum. Mr. Joseph Butler, at the Warm Springs, will show it. I will tell all, or any of the above lands for cash, or upon credit, or take in exchange for them lands in Fairfax County, or Lots of land in the town of Alexandria, or the city of Washington.

Fifty Dollars Reward

FOR the delivery of BEN, a Negro Man, the property of Ben. D. Will, to the Subscriber. Ben, I suppose, calls himself Jeffery, as he obtained a certificate from a Negro who was emancipated by a May, of Cumberland County, Virginia, of that name. Ben, eloped in the Fall of 1797, and went on towards Fredericksburg. It is very probable he is about Alexandria, the Federal City, or Baltimore. He is of the following description, viz. tolerably dark, but not thick lips, knock-kneed, small legs, about 5 feet 7 inches high, carries himself crooked in the shoulders, and throws his feet a little out when he moves, yet he is strong, active and very aich indeed. He no doubt calls himself a freeman, and if taken will get off if possible. I am told the certificate is on parchment, but am not certain. The above reward will be given for his delivery to me, or Twenty Dollars, if secured in any jail in Virginia, and information duly given me of it.

JOHN WILLS,
Fluvanna County, Virginia.

March 5, 1800.

25 Dollars Reward.

RAN AWAY, from the subscriber, on the 22d ult. He is an old offender, this being the third time he has eloped from me, and once at least from a former master, to whom he was bound, in Loudoun County. The above Reward will be given, if taken ten miles from this Town, and all reasonable expenses paid, or Four Dollars, if found lurking in Alexandria.

ANDREW JAMIESON.

March 11.

Fifty Dollars Reward.

RAN AWAY yesterday morning, a Mulatto Man, named EDWARD, who formerly belonged to Mr. J. Ambler, of the City of Richmond, and was sold by Mr. Ambler in June, 1796, to Mr. William Radford—the September following Mr. Radford sold him to Major P. B. Oram. Edward rode with Major Oram, as his servant, through several of the States. In Philadelphia, July 1797, he was sold by Major Oram to Mr. William Glaffel, of Fredericksburg, of whom I purchased him. Edward is a light Mulatto, with grey eyes, about twenty two or three years of age, is a good Barber, Hairdresser and Tailor; took with him a variety of clothing, amongst which were a suit of superfine blue cloth, with buckskin breeches, quite new, a short blue waistcoat and breeches, also new, a swandown under waistcoat, a pair of half boots, with slip-tops. He is an artful fellow, and probably has procured a pass, and will endeavour to pass as a free man. I will give the above reward on his being brought home, or Thirty Dollars, if secured in any goal so that I get him again.
